Call for Volunteers!

Pottery Market is barely a week away and we still need volunteers for a variety of jobs including selling raffle tickets, staffing the door and checking vaccine status, providing support to vendors and more!

The Market runs from 10-6 on Friday, November 19 and from 10-4 on Saturday, November 20. Any help you can provide during any of those hours would be hugely appreciated.

Contact Mary Pat Hopper, mphopper@nycap.rr.com, if you're able to help out. Thank you!
