# Were you seen?

The Guild Games were ridiculously fun! Thanks to Jean Decker for organizing the event, to Barbara Costanzo for memorializing it through photos and video, and to all who participated for bringing your A-game. It was sunshine and smiles all around. Check out the Guild website for more photos & video! <https://collarcityclayguild.com/newsletters/>

## 2021 collar city clay guild **POTTERY MARKET**

## Applications for PM 2021 are now being accepted!

Applications and vendor information for Pottery Market 2021 have now been distributed via email to Guild members past and present and all members of Waterbrook Potters Studio. A few emails bounced back.. If you didn't receive it, the application information is available for you on the Pottery Market page on the CCCG website. Also, when you join or renew your membership, please make sure we have your current email address!

Please take note that Pat's Barn has put specific COVID-19 protocols in place that we will be required to follow. No exceptions.

Pottery Market is once again offering the opportunity for members who don't wish to commit to their own booth to participate in the Guild booth. The Guild booth has accommodated as many as a dozen potters in the past and provides a great opportunity for those new to selling to get their feet wet and for those with limited inventory to still have an opportunity to sell. Interested? Email Theresa Zubretsky, [tzubrock@gmail.com](mailto:tzubrock@gmail.com).

HUGE shout out to Mary Pat Hopper and Kathy Benson who spearhead the organization of this not-to-be-missed event! If you have questions about the application process, contact Kathy, [kpbenson1212@gmail.com](mailto:kpbenson1212@gmail.com). All other questions can be directed to Mary Pat, [mphopper@nycap.rr.com](mailto:mphopper@nycap.rr.com).
